

Free Babysitting!

**Serving Whispering Heights,
Collingwood, and families
from Sky Mountain to Somerset**

With the Eastside Neighborhood Babysitting Co-op

Here's how it works:

- Request a sitter by emailing the other co-op members—no calling around necessary
- Have an experienced parent supervise your child(ren) at either your home or theirs
- Pay back hours by accepting sits for other members at your convenience
- Sits are arranged through emailing the group. It's an easy, safe form of childcare, and a great way to meet neighbors and playmates.

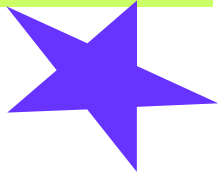

The co-op serves families with single and multiple children, from infants to pre-teen.

Upon return of a clean background check and references, joining is as simple as 1-2-3:

1. Complete a brief profile of your family, providing references and typical need
2. Host the president and another member for a home visit
3. Pay a \$5 joining fee.

Here's what some co-op members say:

"I like that when I use the co-op, I get to have an experienced mom feed my baby and put her down to sleep – I feel like moms have a more thorough understanding of infants than many teenage babysitters do."

"I like knowing that I can use the co-op as often or as little as I like – there are times I need a sitter more often than others"

"I found I was keeping track in my head of who owed whom when I would trade sitting with friends; with the co-op I don't have to anymore!"

"It's a great way to get to know other families in the area"
